

2009-2010 Program

Anyone interesting in continuing or newly joining Canada Gold's program for our 2009-2010 year (year 2) is invited to call or email Tess Pitchko at our Canada Gold office (see "contact us" section of this web site).

We will need to know the following:

- Current or new participant.
- Name, address and contact information.
- Number, breed and estimated time of sale.

Existing Canada Gold participants will need to get their veterinarian to re-certify operations. New participants will need to review the CGB protocols and obtain veterinarian certification.

The participation fee for 2009-2010 remains the same at \$6.50 per head.

Canada Gold is continuing to develop our program and evolving as we move forward. There are already many exciting things in the works for our second year!

Thanks to all who were part of our program and who helped us have an exciting and successful year one!

Frank Goetz
President, CEO
Canada Gold Beef Inc.
